Roll No.: CS17B103

This is the readme guide for part 2 of assignment.

Steps:

1) in terminal, run makefile:

```
$ make
```

2) now we need 2 terminals, one for sender, other for receiver

3) on terminal 1, first run

```
$ java receiver_sr <flags>
```

4) then on terminal 2, run

```
$ java sender_sr <flags>
```
