GO BACK-N

Name : Harshit Kedia
Roll No.: CS17B103

This is the readme guide for part 1 of assignment.

Steps:
1) in terminal, run makefile:

$ *make*

2) now we need 2 terminals, one for sender, other for receiver

3) on terminal 1, first run
$ *java receiver_gbm <flags>*

4) then on terminal 2, run
$ *java sender_gbm <flags>*
